**INSTRUCTIONS FOR
ANNUAL REPORT FOR A
THIRD PARTY ADMINISTRATOR
IN THE STATE OF LOUISIANA**

GENERAL INSTRUCTIONS

This packet is designed to assist the individual preparing the annual report in complying with our requirements and procedures. The forms and procedures of the application process are designed to facilitate our review of the report. Therefore, it is extremely important that all applicants comply fully with the instructions and requirements set forth in this packet.

All communication should be directed to:

Louisiana Department of Insurance
Company Licensing Division
P.O. Box 94214
Baton Rouge, LA 70804-9214
Phone: (225) 342-0897
Fax: (225) 342-7401
E-Mail Address: pwalker@ldi.state.la.us

While our Department will be happy to assist you and answer any questions you may have, we ask that you thoroughly review all instructions and forms before contacting us.

- 1) Annual reports must be post-marked no later than March 1 of the year due.
- 2) All submittals in association with this report must reach us via the United States Postal Service or a carrier with interstate business. Hand delivery is not acceptable and any information arriving in this manner will be returned without review. In addition, all correspondence must be sent to the attention of the Company Licensing Division to assure prompt receipt and handling.
- 3) Submit only a fully completed report. Submittal of a partially completed report will cause processing delays and may result in rejection of the report.
- 4) Do not alter the forms contained in this packet. If you feel the requirements do not apply to your situation, notify us. We will supply the proper form, if appropriate, and/or answer any questions you have about the forms.
- 5) All original items submitted become the property of the Louisiana Department of Insurance and will not be returned.
- 6) All certified documents required in the application must be dated within ninety (90) days of submittal of the application.

- 7) All entries in the report forms must be typed or printed. Illegible entries or responses will be considered incomplete and may result in the rejection of the report.
- 8) When designating a contact person, please remember that all correspondence from our Department will be directed to this individual. Therefore, please choose a person who will be able to respond to most inquiries or direct them to the appropriate person for response. We must be notified in writing of any change in the contact person during the course of the year.
- 9) The annual report is intended to supplement any notifications of changes in the administrator or the information submitted to this Department previously. LRS 22:3041H requires an administrator to notify the Commissioner of any material change in its ownership, control, or other fact or circumstances affecting its qualification for a license in this state. Therefore, the administrator should not wait for the filing of the annual report to advise this Department of any such changes.
- 10) If, for some reason, an item which would otherwise be required is not available, a written explanation must be supplied upon submission.
- 11) It is the responsibility of the applicant to insure that none of the responses and submittals in association with this report conflict with the information filed with the domiciliary state. Conflicting information may result in regulatory action.

EXPLANATION OF TYPES OF FILING

The annual report forms are intended for those companies which hold a license as a third party administrator in this state and for those companies which were granted an exception to the licensing requirement pursuant to LRS 22:3031 (1) (l).

LICENSED ADMINISTRATORS

Administrators which have been issued a license by this Department must submit Pages 6-12 of the report along with any appropriate attachments.

EXCEPTED ADMINISTRATORS

Administrators which have been granted an exception to the licensure requirement pursuant to LRS 22:3031 (1) (l) should file Page 6 and Page 13 of the report forms. There is no fee for this exception filing.

SPECIAL INSTRUCTIONS FOR THE NOTIFICATION OF CONTRACT

Each time a licensed administrator enters into an agreement with an insurer, the enclosed Notification of Contract Between Third Party Administrator and Insurer form must be immediately completed and forwarded to the Department of Insurance via the United States Postal Service.

SPECIAL INSTRUCTIONS FOR NOTARIZATION PAGE

Each annual report packet includes two notarization pages. Which of these pages the administrator uses is determined by the type of filing. An administrator which is licensed in Louisiana and is filing an annual report pursuant to LRS 22:3043 should use the Notarization for Licensed Administrators. An administrator which was granted an exception to licensure requirements pursuant to LRS 22:3031 (1) (a) and which is filing this report pursuant to LRS 22:3041G should use the Notarization for Administrators Granted an Exception. No administrator should file both forms.

The signatures which appear on the notarization page are determined by the legal structure of the applicant. Below are the expected variations and the instructions for who should sign the application in each case.

IF THE APPLICANT IS A(N)....	THE APPLICATION SHOULD BE SIGNED BY...
Individual	the applicant
Corporation	any two officers
Association	any two officers
Partnership	two partners
Trust	two trustees
Any other	contact the Department for instructions

INSTRUCTIONS FOR REQUESTING AN EXTENSION OF THE FILING DATE

The annual report for administrators is due by March 1 of each year. If administrators have a legitimate need for an extension of this deadline they must request this extension in writing. The request must include a detailed explanation of why the extension is needed.

Extensions will not be granted verbally. Therefore, do not contact the Department by telephone or in person to request such an extension.

Extensions of the deadline will be given in thirty (30) day allotments and only under the most extreme circumstances will companies be given an extension of more than sixty (60) days.

COMMON QUESTIONS

The following are some of the most commonly asked questions regarding the application package and process.

Q: Where can I find the laws and regulations governing third party administrators in Louisiana?

A: The laws governing third party administrators can be found in Chapter 5 of Title 22 of the Louisiana Revised Statutes (LRS 22:3031 et seq.). In addition, LRS 23:1192, et seq. and Regulation 42 of the Louisiana Department of Insurance contain related information regarding service companies for worker's compensation self insured funds. For your convenience, a copy of Chapter 5 of Title 22 is attached. Copies of the complete Louisiana Insurance Code and the regulations promulgated by the Commissioner of Insurance can be obtained from private printing companies which specialize in statutory printing. One such company is given below.

**National Insurance Law Service
P.O. Box 2507
Chatsworth, CA 91313
1-800-423-5910**

Q: Is there a difference between a "service company" as mentioned in Title 23 and a third party administrator?

A: Because of the type of services commonly performed for workers compensation self-insured funds by service companies, such companies may fall into the definition of a third party administrator as set forth in LRS 22:3031(1). Therefore, each entity acting as a service company for such a fund should review the definition and determine if it would be considered a third party administrator.

Q: Will I be notified of the acceptance of my report?

A: Each administrator will be notified of the acceptance of the annual report. This notification or a request for additional information can be expected thirty (30) to sixty (60) days from our receipt of the report.

Q: Can the forms in the report packet be recreated on a word processor for completion by the applicant?

A: No. The forms in this packet are designed for ease of recognition by our staff and, in many cases, in strict compliance with statutory wording requirements. Therefore, any changes in the format or wording of the forms will cause delays in the review and may lead to the rejection of the report. However, upon request we can make arrangements to send the forms in Microsoft Word[®] format via electronic mail.

Q: We were not licensed as an administrator in Louisiana until late in the year. Are we still required to file an annual report?

A: All administrator licensed or granted an exception on or before December 31, 1999 must file an annual report.

Q: What is the penalty for failure to file the annual report on or before the due date ?

A: Pursuant to LRS 22:3044B (1) an administrator which violates any provision of the insurance laws of this state may be fined up to \$5,000.00 per violation and may have its license revoked or suspended.

COMMON QUESTIONS CONTINUED

Q: Must the reports be bound when they are returned?

A: No. The reports are not required to be bound in any way when they are returned to this Office.

Q: If an administrator wishes to surrender it's license or otherwise cease doing business in Louisiana, can this be accomplished by not filing the annual report?

A: No. The annual report is a report, not a renewal. If an administrator wishes to surrender it's license, they may do so by returning the license with the annual report but any administrator licensed on December 31 is responsible for the annual report for the preceding year.
